25 Reales. Septiembre de 1873. Vale de la Administración de Rentas de Puente de Domingo Flórez (León). (Edifil 2017: Página 26). Muy raro. EBC.

The image shows a piece of aged, yellowish paper with a handwritten signature and some text. The signature is written in a cursive, calligraphic style and is positioned in the lower-left quadrant. Above the signature, there are several large, overlapping loops and flourishes, possibly representing a decorative flourish or a stylized initial. The text below the signature is partially obscured and difficult to read, but appears to be a name or a set of initials. The paper shows signs of age, including some discoloration and faint smudges.

Handwritten signature and text on aged paper.
