The illustration on the 50 pesetas banknote depicts a historical scene. In the center, a man in a dark, patterned coat and a wide-brimmed hat stands next to a dark horse. He is surrounded by other figures, some on horseback and some on foot, some holding long spears. The background shows a landscape with a building and a path. On the right side of the illustration, there is a large, circular, textured area that appears to be a sun or a moon. Below the illustration, there is a small crest or coat of arms. The entire scene is framed by a decorative border.
