Most of the birds featured on this banknote are native to the Atlantic Forest, a biodiversity hotspot in South America. The Atlantic Forest is one of the world's most diverse and richest in species, with over 200,000 species of plants and animals. It is home to many rare and endangered species, including the Spix's Macaw, the Golden Parrot, and the Blue-faced Parrot. The Atlantic Forest is also a major source of timber and other natural resources. It is a vital part of the world's natural heritage and needs to be protected for future generations.
