Detailed description: This is a 50 Banco de España banknote. The central illustration depicts a historical scene, likely the entry of Philip II into Mexico in 1519, showing a group of soldiers on horseback with spears, and a central figure on a dark horse. The scene is set against a landscape with a large sun in the sky. The banknote features a large, ornate number '50' in the top left corner. The serial number 'B4.581.359' is printed in red ink in the top left and bottom right corners. The text 'BANCO DE ESPAÑA' is printed in blue ink across the top. The name 'VELAZQUEZ' is visible at the bottom of the illustration. The banknote is signed 'BRADBURY, WILKINSON & CO. GRAVADORELS, NEW MALDEN, SURREY, ENGLAND' at the very bottom.
