Subasta Online Billetes #90

10 Ecu. 1992. SPECIMEN. Billete Promocional de la moneda única Europea, el Ecu, expuesta en el pabellón de la Comunidad Europea con motivo de la Exposición Universal de Sevilla. Muy raro. SC-.

 A promotional specimen of a 10 ECU banknote. The design is similar to the one above but includes additional text and logos. On the left, there is a logo for 'THE SAVINGS BANKS OF EUROPE' (Eufiserv) and a logo for 'SEVILLA' with the year '92. Below these is a paragraph of text:

Eufiserv is an initiative of the European Savings Banks Group. It is an international telecommunications network that allows cross-border ATM (Automatic Teller Machine) transactions. Wherever you see the Eufiserv sign, and you have the appropriate bank card, you can withdraw local cash. Just like back home. What's more, as soon as Europe gets its single currency, Eufiserv will be one of the first networks to provide you with ECU's via its ATM's.

 At the bottom left, there are logos for 'GE' and 'CABLE PRINT' (ADVANCED BANKING AUTOMATION - BELGIUM). The text 'The Pavilion of the European Community - Expo '92 - Seville' is printed above the central geometric motif. The denomination '10 ECU' is printed at the top right. At the bottom center, it says 'This Specimen ECU-note is sponsored by Eufiserv'.
